

CURRICULUM VITAE

Name: Mark S. Bianchi, M.D.

Proposed Appointment: Assistant Professor

Term: Sept 1, 2012- Sept 1, 2013

School: Yale University School of Medicine, Department of Surgery, Section of Otolaryngology.

Education:

07/1991-06/1996	Residency, in Otolaryngology, Yale University School of Medicine
07/1991-06/1992	Intern, General Surgery, Yale University School of Medicine, Yale New Haven Hospital (requirement for Otolaryngology Resident)
05/1991	M.D. Yale University School of Medicine
1986	B.A. Biology, New York University
1986	Research Fellowship, Department of Bio-Organic Chemistry Rockefeller University
1978-1979	University of Vermont

Career/Academic Appointments:

04/2010-Present	Faculty Attending, Yale School of Medicine, Department of Surgery, Section of Otolaryngology, New Haven, CT
07/1996-Present	Clinical Instructor, Yale School of Medicine, Department of Surgery, Section of Otolaryngology, New Haven, CT
07/1996-04/2010	Private practice, Otolaryngology-Head and Neck Surgery, Trumbull, CT
1995-1996	Chief Resident, Otolaryngology, Yale-New Haven Hospital, New Haven, CT
1992-1995	Resident, Otolaryngology, Yale-New Haven Hospital, New Haven, CT
1991-1992	Intern, Otolaryngology, Yale-New Haven Hospital, New Haven, CT

Administrative Positions

09/2013	Bridgeport Hospital Medical Executive Committee, Nominated
04/2010-Present	Medical Elective Director, Yale School of Medicine, Department of Surgery, Section of Otolaryngology, New Haven, CT
2004-2013	Section Chief, Otolaryngology-Head and Neck Surgery, Bridgeport Hospital, Bridgeport, CT
1996-Present	Attending Physician, Otolaryngology, V.A. Hospital, West Haven, CT

Board Certification

- American Board of Otolaryngology, Otolaryngology, 1996
- Board certified in Sleep Medicine 01/2012

Professional Honors and Recognition

- New England Otolaryngology Society Presentation, Third Place, 1994
- Yale University Medical School Emergency Medicine Award, 1991
- McGraw-Hill Book Award for Outstanding Performance in the Basic Sciences (Medical School), 1989
- Medical Student Summer Research Fellowship, 1988
- Phi Beta Kappa, 1986
- Magna Cum Laude, 1986
- Founders Association Honors Scholar, 1986
- Biology Honors Society, 1986
- Dean's List, 1983-1986

Professional Organization

- 08/2010-Present Member American Academy of Sleep Medicine
- 2004-Present Cancer Committee, Bridgeport Hospital
- 1996-Present Member American Academy of Otolaryngology-Head and Neck Surgery
- 1996-Present Member Yale Surgical Society

Yale University Service

- 04/2010-Present Faculty Attending Yale School of Medicine, Department of Surgery, Section of Otolaryngology, New Haven CT
- 1996-Present Instruct residents, Bridgeport Hospital, Bridgeport, Connecticut

Research

- Cross-sectional Measurements of the Upper Airway Using Low Frequency Doppler Ultrasound. Abstract submitted to the Biological Combined Meeting January 2012.
- Retrospective Study of Intraoperative Topical Steroids in Nasal Polypectomy. Manuscript in preparation.
- Wedge Palatoplasty with Lateral Release. Manuscript in preparation.
- Age Related Changes in the Human Vestibular System, November 1993-June 1994.
Advisor: John F. Kveton, M.D., Associate Professor, Section of Otolaryngology, Yale University Medical School
- Determination and Comparison of Human and Monkey Peripheral Retinal Photoreceptor Topography, January 1990-December 1990.
Advisor: Joy Hirsch, Ph.D., Associate Professor, Department of Ophthalmology and Visual Science, Yale University Medical School
- One-Year Follow-up of Opiate Addicts on Methadone Maintenance: A Test of the Dependence Syndrome, March 1988-September 1989.
Advisor: Thomas Kosten, M.D., Associate Professor, Substance Abuse Treatment Unit
Yale University Medical School
- Development of a Model for Investigating the Secondary Structural Requirements of the Alkaline Phosphatase signal Peptide Necessary for Membrane Translocation, June 1986-August 1987.

Advisor: Dr. Emil Kaiser, Ph.D. Professor Emeritus, Chairman, Department of Bio-Organic Chemistry, Rockefeller University

Presentations

- 10/2013 : Perspectives on Pediatric Tonsillectomy and Adenoidectomy. Pediatric Grand Rounds Bridgeport Hospital
- 2012: Ultrasound Applications in OSA. Grand Rounds Department of Surgery, Yale School of Medicine.
- 01/2012: Comparison of Ultrasound to CT Scan for Measuring the Upper Airway, Combined Triological Meeting, Miami, FL.
- 09/2010: Open and Endoscopic Skull Base Anatomy Course, LSU, New Orleans, LA Guest Speaker
- 09/2010: “Allergy and Sinusitis”, Danbury Hospital, Basic Science Grand Rounds, Presenter
- 07/2010: “Head and Neck Cancer at Yale/Smilow” Paci Restaurant, Norwalk, CT, Coordinator
- 06/2010: Skull Base Cadaver Dissection Course, Yale Medical School, Course Coordinator, Presented to Otolaryngology and Neurosurgery Residents
- 06/2008: Balloon Sinoplasty Course, Bridgeport Hospital, Moderator
- 04/2007: “Allergies and Sinusitis” Bridgeport Hospital, Public Talk
- 05/2002: “Obstructive Sleep Apnea in Children: Indications for Adenotonsillectomy.” Bridgeport Hospital, Presenter, Pediatric Grand Rounds.
- 05/1995: “Care of the Long Term Tracheotomy: Prevention of Complications.” Triological Society Annual Meeting, Palm Desert, CA; Presenter
- 05/1994: “Age Related Changes in the Human Vestibular System.” Yale Section of Otolaryngology, Resident Research Day, Presenter
- 05/1994: “Platysma Myocutaneous Flap for Floor of Mouth Reconstruction.” New England Otolaryngology Society, Presenter

International Medicine

- Marbial Haiti, Medical Surgical mission with Yale School of Medicine Senior Otolaryngology Residents; 04/2010.
- Tela Honduras, Bridgeport Hospital Medical Surgical Mission 03/2008.
