

CURRICULUM VITAE

James C. Hamilton, PhD

Version Date: 7/16/2024

Name: James C. Hamilton, Ph.D.

Current Appointment: Associate Professor (Adjunct), Department of Pediatrics (General Pediatrics),

Term: July 1, 2024 - June 30, 2029

School: Yale University School of Medicine and Yale School of Public Health

Education:

09/1977 – 05/1981 BA, Clark University, Worcester, MA

08/1981 – 08/1983 MA, Case Western Reserve University, Cleveland, OH

08/1981 – 07/1986 PhD, Case Western Reserve University, Cleveland, OH

Academic Appointments:

1986 - 1989 Assistant Professor, Department of Psychology, University of Colorado at Colorado Springs

1989 – 1991 Visiting Assistant Professor, Department of Psychology Hamilton College

1991 – 1993 Assistant Professor, Department of Psychology, Mississippi State University

1993 – 1994 Associate Professor with Tenure, Department of Psychology, Mississippi State University

1994 – 1995 Visiting Assistant Professor, Department of Psychology, University of Alabama

1995 – 2000 Assistant Professor, Department of Psychology, University of Alabama

2000 – 2022 Associate Professor with Tenure, Department of Psychology, University of Alabama

2014 Visiting Research Fellow, Yale Center for Emotional Intelligence, Department of Psychology, Yale University

2022 – Associate Professor Emeritus, Department of Psychology, University of Alabama

2024– Associate Professor Adjunct, Department of Pediatrics, Yale School of Medicine, Yale University

Administrative Positions:

2002 - 2004 Chair, Institutional Review Board for the Protection of Human Subjects, University of Alabama

2015 -2018 University Ombudsperson, University of Alabama

Professional Licenses and Certificates:

1994 - present License to Practice Psychology, Alabama, #760
2022 - present License to Practice Psychology, Connecticut, #004271

Clinical Positions:

1981 - 1982 Psychology Trainee, Department of Psychiatry, Cleveland Psychiatric Institute, Cleveland, OH
1982 - 1985 Clinical Behavior Therapist, Behavior Therapy Clinic, University Hospitals of Cleveland, Cleveland, OH
1985 - 1986 Clinical Psychology Intern (APA approved), Department of Psychiatry, Eastern Pennsylvania Psychiatric Institute, Philadelphia, PA
1987 - 1989 Private Practice, Colorado Springs, CO (Supervised)
1993 - 1994 License to Practice Psychology, Mississippi, #33-49
1994 - 2008 Private Practice, Tuscaloosa, AL
2008 - present Behavioral Medicine Consulting, LLC, Tuscaloosa, AL
2022 - present Behavioral Medicine Consulting, LLC, Stratford, CT

Professional Honors & Recognition:

International/National/Regional

1981 Phi Beta Kappa, Clark University, Worcester, MA

University

2022 Outstanding Mentor, University of Alabama

Grant History:

Agency: HRSA

ID#: GA1RH45986

Title: Deep South Comprehensive Graduate Psychology Training Pipeline: Substance and Opioid Use (SUD/ODU) Assessment and Brief Treatment

PI: Rebecca S. Allen

Role: Clinical Supervisor and Research Design

Percent Effort: 5%

Total Costs: 1,106,000

Project Period: 9/2020 – 8/2022

Agency: NIH: Pickens County Partnership Block Grant Award, CCHS

ID#: Unknown

Title: Managing Frequent Attenders in Medical Care to Improve Patient Well-Being and Reduce Provider Burden: Part 1- Assessing the Scope of the Problem

PI: James C. Hamilton

Role:PI

Percent Effort: 10%

Total Costs: \$24,774

Project Period: May 2017 – June 2018

Agency: NSF

ID#: #1143690

Title: Predicting Trajectories of Post-Disaster Adjustment from Pre-Disaster Assessments of Risk and Resilience Factors

PI: James C. Hamilton

Role: PI

Percent Effort: 12%

Total Costs: \$54,822

Project Period: September 2011-August 2012,

Professional Service

2005 – 2020 Member

University Service:

University Committees:

2000 - 2021 Institutional Review Board, University of Alabama

Departmental Committees:

2000 - 2022 Tenure & Promotion

2010 – 2022 Clinical Health Psychology Concentration

2016 – 2022 Concentration Coordinator, Clinical Health Psychology Concentration

Invited Speaking Engagements, Presentations, Symposia & Workshops Not Affiliated with Home Institution:

1. Pediatric Residents Conference, Dept. of Pediatrics, Yale University Medical School, *Preventing Overmedicalization and Medical Child Abuse*, Aug 4, 2021
2. Pediatric Grand Rounds, Dept. of Pediatrics, Yale University Medical School, *Münchausen Syndrome by Proxy and Medical Child Abuse: Prevention and Early Detection*, October 30, 2019
3. Pediatric Grand Rounds, Children's of Alabama, *Prevention and Early Detection of Medical Child Abuse*, October 11, 2018
4. Department of Pediatrics, Yale University School of Medicine, *Preventing the Medical Abuse of Children*, November, 2014
5. Yale Center for Emotional Intelligence, *Is Emotional Intelligence the Antidote for Excessive Illness Behavior*, October, 2014
6. Winternitz Lecture, College of Community Health Sciences, University of Alabama, *Factitious and Somatoform Disorders: A Critical Re-Examination*, April 2012
7. Winternitz Lecture, College of Community Health Sciences, University of Alabama, *Strategies for Managing Patients with Unexplained Medical Complaints*, March 2007
8. Grand Rounds, Druid City Hospital, Tuscaloosa, AL, *Factitious Disorders and Malingering*, September, 2005
9. UAB Department of Neurology, *Medically Unexplained Symptoms from the Perspective of the Social Clinical Interface*, Birmingham, AL, 2004
10. UAB Department of Rehabilitation Medicine, Birmingham, AL, *Dying to be Ill: Toward An Empirical Study of Factitious Disorders*, April, 2000
11. Grand Rounds, Druid City Hospital, Tuscaloosa, AL, *A Self-Enhancement Model of Factitious Illness Behavior*, May, 1998

Peer-Reviewed Presentations & Symposia Given at Meetings Not Affiliated with Home Institution:

1. Elmore, J. D., Hamilton, J. C., & Lewis, J. A. Effects of Victim Label and Target Culpability on Reactions to Misfortunes. Presented at the Annual Meeting of the Society for Personality and Social Psychology, February 2020, New Orleans, LA.
2. Kouchi, K., Hamilton, J. C., & Mackenzie, S. Perceptions of Death Following Exposure to Varying Degrees of Death Acceptance. Presented at the Annual Meeting of the Society for Personality and Social Psychology, February 2020, New Orleans, LA.
3. Lewis, J. A., Hamilton, J. C., & The Effect of Party Affiliation on Strategies for Evaluating Victims. Presented at the Annual Meeting of the Society for Personality and Social Psychology, February 2020, New Orleans, LA.
4. Elmore, J. D., Hamilton, J. C., & Lewis, J. A. Rationalizing Undeserved Outcomes: Effects of Random Positive Events on Reactions to Victims. Presented at the Annual Meeting of the Society for Personality and Social Psychology, February 2019, Portland, OR.
5. Kouchi, K., Hamilton, J.C., & Mackenzie, S. The Effects of Exposure to High Versus Low Death-Accepting Advanced Directives. International Congress on Psychological Science, March, 2019, Paris, France.
6. Mulla, M.M., Hamilton, J.C., et al. The Relative Contributions of Neuroticism and Depression to Somatic Symptom Reporting, Symptom-Related Distress, and Intentions to Engage in Illness Behavior. Association of Behavioral and Cognitive Therapy, November, 2018, Washington, D.C.
7. Lewis, J. A., Hamilton, J. C., & Elmore, J. D. Activating the justice motive: attempting to replicate priming effects from just world research. Rocky Mountain Psychological Association. March 2018. Denver, CO.
8. Lewis, J. A., Hamilton, J. C., & Elmore, J. D. What makes a victim: An empirical examination of the victim role and how political values affect information-seeking strategies when evaluating victims. Rocky Mountain Psychological Association. April 2018. Denver, CO.
9. Elmore, J. D., Hamilton, J. C., & Lewis, J. A. (2015). Effects of blame and the victim label on emotional and cognitive reactions to victims. Presented at the Annual Meeting of the Society for Personality and Social Psychology, February, Long Beach, CA.
10. Lewis, J., Hamilton, J.C., & Elmore, J.D. (2015). Verifying Victimhood: The Impact of Usurping the Victim Role. Presented at the Annual Meeting of the Society for Personality and Social Psychology, February, Long Beach, CA.
11. Sherwood, I, Hamilton, J. C. Thompson, R., & Allon, S (2014) Prospective Prediction of PTSD Following a Natural Disaster. Symposium Presentation. Annual Meeting of the Association for Psychological Science, May, San Francisco, CA
12. Elmore D., Hamilton, J. C., Sherwood, I (2014) Punctuated Personality Change Resulting From an Acute Stressor. Symposium Presentation. Annual Meeting of the Association for Psychological Science, May, San Francisco, CA
13. Sherwood, I, Hamilton, J. C. Thompson, R., & Allon, S (2014) Somatization Following a Natural Disaster. Symposium Presentation. Annual Meeting of the Association for Psychological Science, May, San Francisco, CA
14. Eger, M., Lewis, J., Hamilton, J.C., & Sherwood, I (2014). Disaster exposure increases reliance on religious sources of self-worth among people lacking other intra- or

- interpersonal coping resources. Presented at the Annual Meeting of the Society for Personality and Social Psychology, February, Austin, TX.
15. Sherwood, I., Hamilton, J.C., & Allon, S (2014). Neuroticism, insecure attachment, and low self-esteem each contribute unique risk of depression for people who experience a major natural disaster. Presented at the Annual Meeting of the Society for Personality and Social Psychology, February, Austin, TX.
 16. Elmore, J., Sherwood, I, Allon, S., & Hamilton, J.C. (2014). The impact of tornado exposure on personality stability in a college sample. Presented at the Annual Meeting of the Society for Personality and Social Psychology, February, Austin, TX.
 17. Allon, S., Sherwood, I, Thompson, R., & Hamilton, J.C. (2014). Self-reports of pre-disaster illness and trauma history predict seemingly random tornado-related experiences Presented at the Annual Meeting of the Society for Personality and Social Psychology, February, Austin, TX.
 18. Lewis, J., Eger, M., Hamilton, J.C., & Sherwood, I (2014). Storm exposure and resiliency. Presented at the Annual Meeting of the Society for Personality and Social Psychology, February, Austin, TX.
 19. Eger, M., Sherwood, I., Thompson, R., and Hamilton, J.C. (2013). External contingent self-worth predicts poor adjustment to a natural disaster . Presented at the Annual Meeting of the Society for Personality and Social Psychology, January, New Orleans, LA.
 20. Sherwood, I.M., Allon, S. & Hamilton, J.C. (2013). Prospectively measured attachment predicts unexplained physical symptoms following a natural disaster. Presented at the Annual Meeting of the Society for Personality and Social Psychology, January, New Orleans, LA.
 21. Burton, K. A., . Hart, W., Adams, J. Shreves, W & Hamilton, J.C. (2013). Shaping reality vs. Hiding from reality: Reconsidering the effects of trait need for closure on information search. Presented at the Annual Meeting of the Society for Personality and Social Psychology, January, New Orleans, LA.
 22. Hamilton, J.C., Thompson, R., Allon, S. & Sherwood, I.M. (2012). When it rains it pours: Exaggerated victimization following a natural disaster. Presented at the Annual Meeting of the Association for Psychological Science, May, Chicago
 23. Hamilton, J.C., Sherwood, I.M., Allon, S., & Thompson, R. (2012). When the dust settles: Risk and resilience in post-disaster psychological adjustment. Presented din the symposium, A Multi-Disciplinary Look at Psychological Well-Being After the Tuscaloosa Tornado, Presented at the Annual Meeting of the Association for Psychological Science, May, Chicago
 24. Thompson, R., Eger, M., Sherwood, I.M. & Hamilton, J.C. (2012). I know dead people: The Psychology of exaggerated victimization. Presented at the Annual Meeting of the Society for Personality and Social Psychology, January, San Diego, CA.
 25. Worley, C.B., Hamilton, J.C., & Swanson, L. (2010). Attachment Style and Negative Health Appraisals. Presented at the Annual Meeting of the Society for Personality and Social Psychology, January 27-30, Las Vegas, NV
 26. Eaton, D., Giddens, M., & Hamilton, J.C. (2010). Feelings of Insecurity Cause Greater Physical Symptom Reporting. Presented at the Annual Meeting of the Society for Personality and Social Psychology, Las Vegas, NV
 27. Cunningham, J., Worley, C.B., Hayes, L., & Hamilton J.C. (2010) A Motivational Understanding Of The Relation Between Medically Unexplained Symptoms And Depression. Presented at the Annual Meeting of the Society for Personality and Social

- Psychology, Las Vegas, NV
28. Bivens, K., Hamilton, J.C., PhD, Taylor, M., Swanson, L., Worley, C.B., & Jacobs, BA. (2008) The Role of Caregiver: Sick Role Features and Attachment Style in Predicting Pediatric Unexplained Medical Complaints. 55th Annual Meeting of the Academy of Psychosomatic Medicine, Miami, FL.
 29. Swanson, L., Hamilton, J.C., & Feldman, M.D. (2008) Prevalence Rates of Medically Unexplained Symptoms in Primary Care. 55th Annual Meeting of the Academy of Psychosomatic Medicine, Miami, FL.
 30. Worley, C.B., Bivens, K., PhD, Taylor, M., & Jacobs, BA. (2008). Prevalence of Pediatric Unexplained Medical Complaints in a Primary Pediatric Clinic. 55th Annual Meeting of the Academy of Psychosomatic Medicine, Miami, FL, November, 2008.

Courses Taught:

Undergraduate:

1. Introductory Psychology
2. Theories of Psychology
3. Social Psychology
4. Personality Psychology
5. Abnormal Psychology
6. Advanced Social Psychology
7. Seminar in the Self
8. Seminar in the Social Psychology of Race
9. Seminar in Abnormal Illness Behavior
10. Seminar in Cognitive Behavior Therapy

Graduate:

1. Evaluation of Medical Child Abuse
2. Systems of Psychotherapy
3. Psychological Assessment
4. Interviewing and Behavioral Assessment
5. Clinical Psychology Practicum (indirect supervision)
6. Psychopathology
7. Behavior Therapy
8. Seminar in Social Clinical Psychology
9. Research Methods
10. Psychotherapy Practicum (direct supervision)
11. Advanced Social Psychology
12. Health Psychology / Behavioral Medicine
13. Seminar in the Self
